### How To Train Your Dragon: A Blast From the Past

Time. A crucial element in this world. As time goes by, the world is changing. However, one cannot forget the events of the past.

The past. A time long ago. Usually people learn from their mistakes in the past, but not everyone does.

The incident in 1993 was one of the most horrifying incidents from the past. This is an event no one will forget. Ingen was behind this horrible event.

>They wanted to make an amusement park full of dinosaurs. It was the next wonder of the world. However, this never happened.<p>

Now, mostly everyone has heard of this event. However, there is one place that knows nothing about this.

The island of Berk.
